

Terms and Conditions to join Caravan

Caravan is an international youth and social circus network of 35 circus schools from across Europe, the Middle East, Africa, and Asia, that advocates for the use of circus arts as a powerful way to create positive personal, community and social change.

The network was established in 2008 by 6 European circus schools, with a common goal to use social circus as an educational tool and to dedicate this work to groups, especially youth, from disadvantaged backgrounds with specific needs.

Caravan is, first of all, a living network of active and involved members, surrounded by the Friends of Caravan, a group of individuals and organisations willing to show support to Caravan's mission and stay connected with its activities.

After this first year, you will have the possibility to confirm your willingness to become a member (submitted to our General assembly's vote) or to remain in our group of friends.

5. Resignation

Members and Friends may at any time resign by a registered letter addressed to the President and sent to the secretariat of Caravan. Resigning members has no right with regard to the association's assets.

6. Exclusion

Both for Members and Friends, we expect an involvement in line with the Terms and conditions described in this document as well as Caravan's Guiding principles on expected values and behaviours which describes core values that drive us.

For Members specifically, we expect a high level of involvement and responsiveness as well. We are a living network where it's very important for us to stay connected, to exchange and brainstorm together on a regular basis. This is what makes Caravan so great! A lack of such implication would lead to discussions in order to understand the reasons before recommending an exclusion.

Members and Friends are subject to the same exclusion procedure laid down in Article 5.3 of our Statutes. A recommendation of exclusion of a Member or a Friend is subject to a vote by the members of Caravan Board. 2/3 of the votes of the Board members are necessary for the recommendation to be accepted. This recommendation must be passed on to the General Assembly and must be decided following a 2/3 majority vote.

A Member or a Friend being considered for exclusion will be informed with reasonable notice and may defend itself before the Board or the General Assembly. Their membership is suspended until the next meeting of the General Assembly. Notification of exclusion will be sent by registered post, signed by the Caravan president. Members or Friends who have been excluded have no rights over the assets of the Caravan association.

7. What are our membership fees?

All the Caravan Members pay an annual membership fee depending on the financial capacities of the member. The amount of the membership fees is decided by the General Assembly on a proposal of the Board of Directors. Friends of Caravan are invited to pay a fixed and unique amount.
